EDITOR'S NOTE:

The Frieze is back and this year we tried a few different angles. We listened to all the problems and suggestions and here are the results.

The section that most of you remember as Tailgates was eliminated. We figured since no one really has them anymore, why should we have a section with pictures about it. Then we added the Greek Week section. After listening to comments from the Greek Week committee, we soon realized that a new section needed to be added. Greeks then told us there was not a fair distribution of coverage, so we took the matter into our own hands. Three weeks in a row, on Greek Night, we went to take pictures. Then we encouraged all of the reps to make sure they worked together to fairly distribute coverage of each sorority and fraternity. Not only did our reps listen, for the most part, but they also tried not to crowd each page, which was another complaint. This year to encourage creativity, we had a contest for all the reps for the best opposite page. Now for the cover and dividers. We felt that the Univerity of Maryland colors were a little over used. We were sure that all the Greeks knew what the colors were and were ready for a change. Also, we added the definition of a frieze to the cover since we were not sure if anyone knew what it really was.

And now what you all have been waiting for . . . The Frieze is a creation of numerous people, each with their own opinions and ideas. Therefore, we are not responsible for any offensive or embarrassing material. In other words, you wanted the pictures in and your reps put them in, so we are covered.

NOW ON TO THE FRIEZE.

Phi Delta Theta

Known throughout the nation as the gentlemans fraternity, Phi Delta Theta's Maryland Alpha Chapter exemplifies this description. Through athletics, art, dance, and especially scholarship, Phi Delts reign supreme among Greek houses. Our close personal relationships with Greek life directors, alchohol policy constructors and judicial board members makes Phi Delt the cog that runs the machine of the Greek system. We sing, we dance, we create; we are –

Phi Delta Theta!

UNIVERSITY S·P·I·R·I·T

Dear Senior '91,

Congratulations on completing your final year at the University of Maryland! We hope you are successful in finding that special job. The experiences you've had with your fraternity or sorority have undoubtedly been very rewarding and a lot of fun! Many of the friendships made through brotherhood and sisterhood will continue to strengthen as you go on in life - this to me is one of the great benefits of being greek!

Hopefully we have played a small but important part in your greek experience. We have appreciated all your support during the last few years!

Good Luck, and stop in to say hello whenever you are in town -

Fraternally Yours,
Mike, Bob, Gloria, & the Balfour Staff
